My friend Gwen and I have been best mates since our school days. I really love the girl and we share everything from handbags and shoes to secrets about our boyfriends, especially sex stuff. However there is one sex story I can never ever share with her, and that is about the time I shagged her dad!

I didn't plan it, and, to be fair, neither did her dad, Daniel. It was just one of those moments of madness that sometimes happens when you have had a little too much to drink and are feeling a little too randy for your own good.

I had spent a frustrating afternoon lusting after the new guy in the office. I had been fantasising about getting carpet burns from rolling around on the board room floor with

him when one of the other girls broke the news to me that he was happily married. That burst my bubble, especially as I had just bought some sexy lingerie in my lunch break and had changed into it in the ladies before returning to work after lunch. I had also spent a pleasant 15 minutes in the toilet cubicle rubbing my pussy through the silky gusset of my new panties, having read in one of those women's mags that doing this releases enough pheromones to drive any guy crazy.

I was sure that this tactic had worked, as I could swear he glanced in my direction several times during the afternoon. But later when Julia, who works in accounts, told me he had only just returned from his honeymoon, and was boring anyone who would listen about how wonderful his new

“...his fingers expertly nipped and twiddled with my engorged clitoris.”

bride was, I spent the rest of the afternoon feeling sexually frustrated and depressed. As usual when I am feeling like this I called into Gwen's house after work, looking for sympathy, but when I got there she had already gone out for the evening with her mother. My eyes filled with tears of frustration, and her dad Daniel, who is the sweetest guy ever, put his arms around me and drew me inside to sit down until I recovered. I've always found Daniel very attractive: he has that sexy older film star look, and reminds me of an older Brad Pitt. If he was not Gwen's dad I would have been all over him ages ago. He even drives a sports car, wears designer suits and has some very important job in the City.

It was comforting to feel his strong arm around me as he led me to the sofa and sat beside me. I did not want him to take his arm away so I snuggled against him and before I knew what I was doing I was telling him a watered down and twisted tale of the afternoon's events, making out that my affections had been toyed with and that I had only found out in time that the bloke was

married. Daniel soothed me, patting my arm and even kissing me softly on the cheek. He told me how very beautiful I was and things just got a little out of hand.

Before I knew it I was sitting on his lap as he undid my blouse, wriggling my arse on his cock with pent-up excitement. As my clothing came off and his hands explored my body I too became familiar with his. It was no surprise he was muscular and hard and tanned. But the biggest turn-on was his long thick cock which grew almost alarmingly big and hard in my hand as I stroked and squeezed it. His tongue curled around my nipples sending sparks of excitement through me and my pussy juice flowed as his fingers expertly nipped and twiddled with my clitoris. Unlike the younger blokes I was used to Daniel took his time, slowly teasing my pussy with his fingers and tongue until I came. My orgasm was so lengthy and intense that it felt almost explosive, and I closed my eyes trying to hold on to the delicious sensations as long as I could. When it eventually faded I felt almost weak.

While I was still trembling from the afterglow, Daniel picked me up and carried me to one of the guest bedrooms. He had so much class in comparison to the young guys I had been with. Rather than just taking me on the sofa he wanted me to be comfortable so I could thoroughly enjoy the experience on a

“...my back arched and my hips thrust up to meet his plunging cock.”

and harder he pumped me, his hands now gripping my soft fleshy arse-cheeks as he gave me the most tremendous pounding of my life. I gasped for air, almost shrieking with pleasure as he eased a finger inside my anus. Fucking me in both holes with his finger and cock Gwen's dad made me come harder than ever, before finally groaning and emptying his load inside my quivering pussy, filling me with his hot jizz.

proper bed. I lay back on the lavish bedspread, my body still tingling with little tremors of pleasure as Daniel spread my legs and began licking and kissing the inside of my thighs. I was so absorbed in my excitement that I just lay there like a sex toy, open wide and waiting for him to take his pleasure. Our lips met as his hands stroked my pussy and gently teased my hardened nipples. My fingers entwined at the back of his neck as he slowly shunted his hard cock inside me. It was harder and bigger than I was used to, and it took a while for me to fully accommodate his organ. My pussy burned with extremes of pleasure as it began to spasm, my internal muscles contracting tightly around his thick shaft, and my back arched and my hips thrust up to meet his plunging cock. Daniel fucked me faster and faster, making me so excited that my nails dug into the hard muscle on his back. I am sure I left scratch marks. Harder

On a sunny, sleepy afternoon, we meet up with the gorgeous Cara Brett who had popped her 32FF's into a Calvin Klein set for us to ogle. The effect was complete when she spun round to reveal a matching

thong that showed off her peachy derrière, which had us locked to our seats in awe. We certainly enjoyed the view and hope you do too. Perhaps you'll be seeing Cara on a billboard near you if Calvin Klein have any sense.

That's a mighty fine looking instrument, do you play at all Sara?

"I did have lessons when I was young, but I haven't played for years and doubt whether I could remember much now. Though I wouldn't mind having a go later on."

Why not have a little tinkle now?

"Oh no, I'd be so embarrassed!

Though the film *Pretty Woman* does spring to mind, that scene with the piano. If only Richard Gear were here now, I'd show him how to play my melody."

Not afraid of an older man we see.

"Not at all, they tend to know more what they're doing and often appreciate a woman a bit more than a young horny buck."

Wise words there Sara.

Hot naked women playing foosball? Your eyes aren't deceiving you, as Lela and Celeste Star, score points off each other at the table and in the bedroom.

These two heavenly gifts have always had a hankering for each other they say, and

with seductive expertise start to fondle and caress. Don't mind us we chime in, but I'm not entirely sure they heard us, far too wrapped up in what their doing. So I think it is best for us just to sit back and watch the engrossing chemistry between the gorgeous Lela and Celeste.

CONFESSIONS OF A PARTY PERV!

I love the party season – I live for nights out and clubbing, and if there's some cock at the end of it, all the better!

Recently, I went to a rugby club do. The dress I wore was quite classy – covered in little black sequins that just catch the light, quite a high neck and long sleeves. But the length of it was pretty short – one of my mates says it's more of a long top – so I was showing a hell of a lot of leg, not least because I wore it with these super-high stiletto boots.

I also didn't have any underwear on. My tits aren't huge and they're pretty perky so I didn't bother with a bra, but my lack of knickers was an accident – honest. I had to go straight from work and found to my horror I'd forgotten to pack my black thong, and there was no way I was wearing the apple-catchers I had on under my office clothes. So I decided to go commando.

At first I was pretty careful, but as I had more to drink, I stopped giving a toss. Most of the blokes there and a few of the girls would enjoy a flash, I reckoned. Some of them got a good look up my skirt from the dancefloor, and I had my bum pinched a couple of times. And I was feeling all hot and turned on too, from my naughty secret and the feel of having my fanny open to the air while I danced, and especially when I was sat at a table having a drink, thighs spread wide. There were all these lads sat around with us, and I was

thinking, "Mate, if only you knew your cock was just a couple of feet away from a naked, open pussy right now."

I just had my fun and did a bit of flirting and teasing for the first few hours, then this one lad, Ethan, started dancing with me. He was with a bunch of other blokes from his team, all egging him on and winding him up, so I rubbed up close to him. Not stripper-sexy, just enough to let them know he was well in if he wanted.

His hands were all over my arse through my dress on the dancefloor, and then he was sneaking them up it, trying to cop a feel. He seemed a bit confused, like "What's missing here?" In the end, I just told him I was bare-arsed and I didn't want to be mooning everyone, so we'd better go somewhere more private. And I gave his crotch a stroke as I whispered in his ear, just in case he needed more convincing.

He followed me down a corridor so he could stare at my bum, and I let my skirt ride up a bit to flash him the bottom half of my cheeks. Then we found a room, some kind of catering storage area, with tables and chairs.

I perched on the edge of a table, splaying my legs and raking my heels down the backs of his calves as we snogged. I humped my naked cunt against him, felt how hard he was through his jeans. He took a step back as I went to unzip him, hands mashing my tits through my top, then he looked down and started moaning about the wet, creamy mess I'd made of his trousers.

Sad or what, I thought and bent

“I moaned for him to stick it in me and fuck me...”

over the table and told him to spank me for it. He said he wasn't into that sort of "kinky shit", so I told him he'd better find me someone who was. I wasn't serious but he called my bluff, ringing someone on his phone and saying he had a, "Nympho who needs a seeing-to, and I'm not dirty enough for her".

He was trying to freak me out and he came close to it, but I was happy enough when I saw who he'd been calling. Rhys had the reputation for being a shagger, but you couldn't blame women for wetting themselves over him. He had a buff, fit body and the rucks he'd been in hadn't done his good looks any harm!

"Right, let's see," he said, like I was some problem Ethan had asked him to solve. He was talking over me, and when he finally turned a smile on me and waved his hand in a circle, so I'd give him a twirl in my short dress, I immediately started spinning, on tiptoes in my tarty boots.

"OK, stop," he said, when I had my back to him. "Now bend over. Nice and slow." I obeyed, felt the skirt slide up to expose my arse, and then I knew my pussy'd be sticking out between my cheeks. Then Rhys told me to bend over one of the tables.

It was a small, two-person sized one, so I ended up with my tits squashed against the top and my arms dangling down. I heard a rustle of fabric and he came to me holding his tie, and asked was I definitely up for this. I said yes and he asked was I sure, then when I said yes again, he started to bind each of my wrists to a table leg.

He got Ethan to take his tie off too and tied my ankles in the same way. I struggled a bit, just testing how tight they were, and Rhys gave me a "safe word" to say if I wanted things to stop, but I was well up for it.

He started playing with my arse, stroking my cheeks and giving them a few little taps, then played his fingers along my crack. I squirmed as his fingertips found my labia, but every time I moved he stopped, like he'd decide when I got any pleasure.

Ethan was out of my line of sight and I couldn't hear him either, but I soon realised he'd started wanking. "Let me see some cock, then," I said.

Rhys whacked me around the arse for asking, but then Ethan appeared, all stiff and swollen, palming his shaft.

I could feel Ethan's prick starting to twitch and jerk, but when he went to pull out to give me a faceful, Rhys told him to stay as he was, like he was the boss of him as well. He told me to hold the spunk in my mouth but not to swallow.

Ethan emptied his bollocks, a massive load, but I held it. Rhys told me to show him so I turned my head back, opening my mouth so he could see it all pooled on my tongue. He was straining a bit by now so I squeezed my snatch around his shaft, and he didn't tick me off.

Now he pulled out and came walking around to stand next to Ethan, prick glistening wet with my cunt cream. "Open wide,"

he said, and I felt Ethan's spunk drip down over my chin. Rhys held his cock just out of my reach, wanking it, and soon his cum began spurting out. Some splashed on my face but he aimed it so most of it sprayed on my tongue. Again, I wasn't allowed to swallow, but then he put his hand under my chin, shutting my mouth, and told me to gulp down every drop.

After that, he had me open it again, and fucked my mouth for a couple of strokes, wringing out the last of his spunk even though he was a bit tender from cumming. Then he asked had I learned my lesson about being

"Ethan emptied his bollocks, a massive load, but I held it."

a cock-hungry slapper. I nodded but said he could teach me more any time.

I copped off with Ethan that night and it became the gossip at the club for a while, though I don't think anybody knows what went on with Rhys. There's nothing serious going on with Ethan, and I can't help thinking I want another crack at Rhys.

Soon the pair of them were polishing away, Rhys diddling me with three fingers on his right hand while the left was wrapped around his own stiff prick. I moaned for him to stick it in me and fuck me but instead, he sort of spanked it against my arse, at the V between the tops of my cheeks, and told me if I didn't shut up, he'd just jizz all over my arse and Ethan would cum in my face, then they'd both leave me tied up for the cleaners to find.

I started moaning that they'd better not and he told Ethan to shut me up. Three seconds later I was sucking on a huge, salty mouthful of Ethan's meat. Rhys fingered me a bit longer, then I felt something thicker and wetter skim up against my snatch. He asked did I want fucking – one moan for yes, two for no. "Mmm," I said.

Ethan pulled out, and I said yes to Rhys again, and as he pushed back in my mouth, Rhys sank his prick into my cunt. He fucked me slow and balls deep, grinding not thrusting so it wouldn't put me off my stroke as I sucked off Ethan. I gobbled away, savouring the pre-cum oozing out, and I knew Ethan wouldn't last long.

TOMMIE 

Tommie-Jo by her own admission is a very horny girl. So when we asked her how much of a naughty horny girl she was, apparently a scale of 0-10 couldn't quite cut it. But it didn't remain a mystery for long after she told us about what she gets up to on webcam. We can confirm that Tommie-Jo goes all the way up to 11!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Look Sharp!

Well, this doesn't quite look like a window display at Harvey Nic's, but I'm sure it could be adapted. Police in Huntsville arrested two men after a video went viral of 23-year-old Terry Brown and 49-year-old Kenneth White, appearing in a mannequin challenge styled shootout. The extremely convincing video racked up 173,000 Youtube views and after the police had watched it, investigators served a search warrant. Their hunch was

right, after conducting a thorough search of the property, the police reported that they had found, two handguns, a rifle, a shotgun and packaged marijuana, that appeared to be ready for sale. Subsequently Brown and White both face charges of drug possession and possession of firearms.

Locomotion!

Everybody loves a free ride, but one Richard Ruddy appears to love them more than most. The 25-year-old chef started a 'catch me if you can' style online campaign against South West Trains, in which

he dodged multiple fares for a year and openly ridiculed and bragged about his practice online. Ruddy also photographed staff and without consent and published the pictures on Twitter. One tweet read "2 minutes from getting a free ride @SW_Trains its ok tho I got on at branksome and paid from pokesdowne , who's the winner there ? £WINNER." The fare dodger has been hit with over a £1250 fine and has been ordered to complete 120 hours of unpaid work.

Direct line to heaven!

It looks like you can't even trust in Jesus anymore. John Michael Haskew was arrested for allegedly setting up fraudulent wire transfers from a well-known financial institution, totalling over \$7 billion. Haskew made more

than 70 transactions, using a routing number that didn't belong to him. Investigators report that Haskew had told them his scheme would enable him to "obtain the wealth that Jesus Christ created for him and that belonged to him." The apparently self-taught fraudster believed Jesus told him to do it. Haskew could face up to five years in gaol for his crime. Unfortunately, Jesus wasn't available for comment at this time, but we will try to contact him again.

BOARDROOM FARCE

I run a scaffolding business with a guy called Gary and although he is older and wiser than me we share the business equally. Recently we shared a bit more than the business. It's a small company and Gary and I run things from a small office, while our staff are out and about, so most of the time it's just the two of us in the office. Being mates we lark around a lot, and although he is in his mid 40s and I am in my late 20s, we get on. We recently decided to look into hiring a marketing company to publicise our business and had a few companies come in and pitch their proposals to us. We weren't getting very far until a mate of mine, Jon, said his sister, Sarah, had started her own marketing business and was looking for clients. I had met her couple of times but didn't remember much about her. We invited her to come and pitch some ideas to us one afternoon and when she turned up I was taken aback and was kicking myself for not remembering more about her. She was hot. Sarah was about my age had beautiful black skin, wore a tight skirt suit and her chest looked like it was struggling to burst out of her white shirt. There was a fair amount of cleavage on show. She had straightened her hair for the occasion and had clearly made an effort. First impressions were good. I could tell by the look on Gary's face that he was thinking what I was thinking...

We all went into the boardroom and Sarah sat

at one end of the long table while Gary and I sat at the other end. She gave a presentation about her business and what she could do for us and then asked if we had any questions. I asked a few serious questions about budgets, while Gary, being the cheeky one, asked Sarah how badly she wanted the contract. Sarah showed her fun side by giggling.

"I want it really badly," she said.

"And what would you do to get the contract," asked Gary. I thought he was overstepping the mark at this point.

"Anything," said Sarah. She wasn't laughing now.

Then Gary just came out with it.

"Would you get your tits out for us," he said. I nearly fell off my chair in shock and thought about how I would explain this to Sarah's brother Jon.

To my surprise, Sarah said, "As I said, I'll do anything."

Sarah stood up and slowly took off her suit jacket, then unbuttoned her shirt and then took off her bra to reveal a beautiful pair of bouncing black breasts. Gary and I just stared and I wondered what to do next. It was Gary who broke the silence.

"Would you fuck two cocks for the contract?" he said.

Sarah just nodded, walked over to Gary and sat on his lap. He started sucking and playing with her massive tits. She gestured for me to come over and I obliged.

She was already taking Gary's cock out of his trousers by the time I got mine out. I stood in front of her and guided her head towards it. I was already erect and ready for her to suck me. Her lips wrapped around my shaft and she began to suck, building up a quick rhythm as she really went for it. In her hand she was wanking Gary's cock, which I don't mind admitting put mine to shame. He was a big lad.

We stayed in this position for a while, with Gary sneaking his hand up Sarah's suit skirt. Gary suggested we head over to the sofa we had in the boardroom. Sarah removed her skirt, leaving only her thong and heels on. As if it was second nature to all of us, Sarah climbed on the sofa and got on her hands and knees, with her head over the back of the sofa. Gary stood in front of her and she opened her mouth to take his big cock. She gagged slightly as the tip hit the back of her

throat, but she had clearly taken a big one before in her mouth because she carried on sucking him off.

I stood behind her, fondling her arse. I moved the thong to one side and began playing with her swollen pussy. She was turned-on, so I didn't waste any time in pushing my cock inside her.

As I fucked her I looked around her side to see her tits banging together as she took one cock in her pussy and one in her mouth. "She has this contract sealed," I thought to myself. Gary and I spit roasted her in that position for a while. Then Gary indicated we should swap round. I was keen to have her suck me again and put my cock, covered in pussy juice, into her mouth. Gary took his time to ease his length into her and Sarah seemed to take great pleasure in having his whopper fill her. I was now thinking about coming. This whole scenario was turning me on like crazy. I had never done this before - fucked a girl with another guy.

Gary was giving her a good seeing to, but I wanted to fuck her some more.

I signalled to

“ She squeezed her breasts together, engulfing my cock and began to rub it up and down.”

Gary that I wanted some more and he nodded. I suggested Sarah lie on her back on the table. I got on top of her and slid my cock back inside her as she wrapped her legs around me. Gary climbed on the table and put his cock in her mouth, face fucking her. Without warning, Gary pulled out and let out a moan, flooding her open mouth with sperm. Sarah was trying to swallow it all but it was going everywhere. I carried on, bucking my hips as I screwed her quicker and quicker, looking at her jizz-covered face. Sarah pointed to her tits and said, “Put it there.”

I took my cock and placed it in her cleavage. She squeezed her breasts together, engulfing my cock and began to rub it up and down. I began moving my hips in tandem, tit fucking her. I

“Ramming my cock deep into her hole until, after a minute or so, I pulled out and shot a long arc of jizz...”

didn't even try to hold out longer. I blasted my spunk all over her – tits, face and neck. Seeing Sarah rubbing my mess all over her lovely black skin was an image that will stay with me for a very long time. We got dressed and relaxed with a few drinks. Ever since then Sarah has done a great job for us.
Mike, Lancaster.

GOING DUTCH

Last month I was on holiday near Malaga with my wife, but unfortunately she's a bit of a sun-worshipper while I can't really think of anything worse than roasting on the beach all day long, so by the second day I was twiddling my thumbs a bit and looking for something else to do. Janet, my wife, has always been perfectly happy to be left with her book at the beach, so I arranged to meet her back at the hotel for a drink before dinner while I headed off to see what else I could do.

I soon found myself wandering round the old part of town, checking out the cathedral and stuff before settling down in a smallish café for a spot of lunch. I didn't have a book or anything on me, so perhaps I was looking a bit forlorn, because suddenly I felt a tap on my shoulder. Turning, I recognised a woman who was also staying at our hotel who we'd smiled at a few times in the lobby. She was probably about 35 or so, petite, and had lovely auburn hair, so when she asked me if I'd care to join her for lunch I found myself agreeing readily enough.

As we ate I found out that her name was Helen and she was Dutch, and it seemed that she had a rather similar problem with her husband as I had with my wife, only to such an extent that they'd been holidaying apart for the last few years.

"Wow, and you trust him, holidaying on his own?" I asked as we chatted, and this made Helen smile.

"Well," she said, "I don't really have to trust him. You see we have an open relationship, so he's free to do whatever he likes on holiday – as am I."

As she said this she looked me in the eye, a suggestive look on her face. Immediately I felt my cock give a twitch in my shorts as I realised the implications of what she'd said, and how they might apply to me!

"Oh, I see!" I said, and Helen suddenly laughed.

"You're blushing," she smiled again. "Perhaps you don't approve of our arrangement?"

I thought fast, and, figuring that I was probably in line for some action I replied, "Not at all. In fact my wife and I have a fairly similar sort of relationship." She arched an eyebrow quizzically before replying, "I'm very pleased to hear it. In that case, perhaps you'd like to escort me back to the hotel?"

My mouth went dry, but I nodded and smiled, and quickly settled the bill. As we walked back to the hotel she slipped an arm around my waist, and I did the same to her. Her hips were slim, and swayed suggestively as she walked, and even though we were still a good few minutes away I felt my cock swelling further as she pressed her body against mine and I thought about what was to come.

Once we got up to her room, which was on the floor above ours, Helen excused

herself and went off into the bathroom while I made myself comfortable. I didn't want to look stupid, so I kept my clothes on and sat on the bed, my mind racing, but suddenly my mind went a complete blank when she emerged from the en-suite completely naked. Her breasts were the first things that caught my eye – I'd imagined they were pretty fine from the odd glimpse I'd had in the café, but in reality they were a lot better than even I'd imagined. Full by firm, they were probably a C cup and looked absolutely perfect on her slim frame. Next I checked the light brown patch of pussy hair between her legs as she strode towards me – manicured, but still sufficiently furry for my tastes! "Still dressed?" she smiled. "Are you sure you've done this sort of thing before?" she added, with a wicked grin. "Well, only a few times," I confessed, getting a bit nearer to the truth, but she didn't seem to mind at all as she stood in front of me. For a moment I just admired the view of her wonderful boobs before leaning forward and sucking her right nipple into my mouth, reaching up to tease the other at the same time. She wrapped her arms around my head and held me close and I flicked and teased her stiffening nipple with my tongue before transferring my attention to the

other one. I kept this up for a while, figuring that we weren't in any sort of hurry as it was only around 2 o'clock, but eventually Helen pushed me away and, standing me up, knelt down in front of me. I stood, motionless as she gently undid the front of my shorts and eased them down. Suddenly my cock sprang from its confines, making her laugh as it bounced out in front of her. Looking up at me, she slowly moved her head forward until I could feel her hot breath on the tip. I closed my eyes in ecstasy as she enveloped my manhood in her mouth, closing her lips around it and sucking gently

while her tongue swirled around the underside of my shaft. Again she took her time, but even so I knew that I wouldn't be able to withstand that sort of attention for too long, so now it was my turn to push her away. Clambering out of my clothes, I manoeuvred her round so she was lying on the bed, and this time it was her pussy I paid particular attention to, at first just teasing it with my fingers, smearing her juices all round her lovely dark lips, and finally leaning forward and caressing them with the tip of her tongue. I knew that once we started screwing I'd last about 30 seconds, so I wanted to make sure that she came first, which meant plenty of licking and nibbling of her clit. Sure enough, as I sucked it into my mouth whilst simultaneously easing a couple of fingers deep into her love hole she clenched her thighs and juddered through a massive climax.

After that I couldn't get my cock into her quickly enough, and the sensation as I slid between her oily, swollen lips was divine. Looking up at me, she urged me to fuck her hard, which was pretty much what I'd had in mind, ramming my cock deep into her hole until, after a minute or so, I pulled out and shot a long arc of jizz up over her firm stomach and beautiful tits. After a rest we bathed together and had another bout, before I left her for the evening, but we 'saw' each other five more times before her holiday was over. Needless to say, my wife was none the wiser, although her tan was pretty impressive by the end of the week!

SOPHIE 

Look sharp, as his month's Club is kicking off with the busty Sophie, who is ready to make you weak at the knees with her full cups of fun that she confesses, "are very sensitive to the touch". Bearing this in mind we know Miss Parker wouldn't mind us daydreaming about all the sensitive things we could do to those full pillows, given a chance. But as Sophie kindly points out, we haven't got a chance in hell. We like those odds!

ELA ♣

Once upon a time, in a land far away, there was a ruined castle. And in the grounds of the ruined castle, there was the smoking hot Ela, whose natural full tits would be enough to tempt any man off his chivalrous course. Luckily this olive skinned beauty won't require any jousting matches to win her heart, just a dirty sense of humour and a filthy mind apparently.

ANGELIKA 

Red hot Angelika was busy tending her garden when we popped by. No, not her lady garden (honestly), we can see that's been well and truly stripped.

Do you always prune the roses in your bikini?

"A little bit of gardening soothes the soul and why not do it in a bikini? You never know what might happen in the shrubbery."

Ah, you a girl with outdoor pursuits?

"It's all the openness and fresh air; it tends to send me into some sort of horny overdrive."

Did you fancy a turn in the park then?

"Nice try."
